

WALK 2

Start from Pewsey Wharf car park (access by bus from centre of village – or on foot via the Scotchel) turning left on to K&A towpath. At Bristow's Bridge ($\frac{1}{2}$ mile), cross over the canal and continue on the opposite side until Wilcot Bridge (1 mile). Passing under this bridge leave towpath via the ramp and cross the bridge via the minor road and almost immediately turn right onto track running past Wilcot Green on your left. After 200 yards the track joins a minor road (leading to Wilcot Church), giving two options: -

- a) Turn left on to minor road, proceeding to Golden Swan Inn, to pick up bus and return to start.
- b) Continue on to Walk 3, by turning right on to minor road leading to church.
