

## WALK 4

If not on continuous walk, as for Walk 2 take bus from centre of village to Pewsey Wharf. Turn right on to Kennet & Avon towpath, following this for about 1¼ miles passing under Pains Bridge and Milkhouse Water Bridge. At the next bridge leave the towpath just before the bridge to reach the minor road. Turn right to the hamlet of New Mill, and after ¼ mile at T-junction turn right and then after 50 yards right again on to another country lane. Follow this for about ¾ mile until reaching Milkhouse Water. At the T-junction, turn left on to this minor road, and after 50 yards turn right on to bridleway leading to Anvill's Farm. Continue past farm for another ¼ mile to cross Railway Bridge and then immediately turn right on to footpath following perimeter of field for ½ mile until it reaches hamlet of Knowle. Leaving footpath at the kissing gate, turning left down slight slope, continue left down Hollybush Lane until you reach a T-junction. Bear left and continue a further 300 yards to reach a mini roundabout, turn right into Milton Road, leading to High Street, for a further ¾ mile to centre of village.
