# GET OUT AND EXPLORE THE COUNTRYSIDE

Discover the range of local plants and animals as the children make their own 'brass rubbings' around the King Alfred's Trail in the Vale of Pewsey.

With four different trails ranging from 1.8km (just over a mile) to 7km (4½ miles) you can choose the one that suits your family – or do all four at different times.

When you have collected the 20 rubbings, send us your completed feedback form and you could win a Marks & Spencer's voucher worth £25.

Forms should be given or posted to the Pewsey Area Community Trust (PACT) office – 16 High Street, Pewsey, SN9 5AQ. The draws will be made on 31st January and 30th April, 2009.
