

VisitWiltshire Familiarisation Passport 2020/21 – Offer PDF

The **Familiarisation Passport** gives **VisitWiltshire Partners** (*and representatives of other selected groups – please see below) the opportunity to visit attractions, activities and other businesses around the county free or at a reduced charge, or take advantage of alternative offers, as listed below. The Passport is part of VisitWiltshire's commitment to in-service training and greater product knowledge – we believe that by knowing at first hand what is available locally we can all work together to help our visitors make the most of their stay, whether they are here for a day, a weekend or longer.

A total of 26 offers from attractions, activities and other businesses are featured in the Passport for 2020. Details of their offers are listed below. Please note that these offers may be subject to change throughout the year, so you are advised to double check this Offer PDF for the latest details before visiting.
