The VisitWiltshire Travel Trade Group brings together over 30+ businesses/destinations who work collectively to shape and deliver a coordinated Wiltshire travel trade marketing strategy and programme of activity, as agreed by the group. Its primary aim is to guide Wiltshire's travel trade approach to drive increased visits & visitor spend, encourage overnight stays, and raise the profile of Wiltshire within the travel trade.

Priorities for 2026/2027 include:

- Developing and maintaining both online and offline resources to ensure Wiltshire's key trade product information is current, accessible and shared with priority travel trade contacts.
- Reviewing and shaping trade activity in consultation with the group to deliver a balanced programme of domestic and international travel trade opportunities.
- Continuing to position Wiltshire along the Great West Way to maximise reach and appeal in international markets, and to strengthen support from industry partners.
