 VISITWILTSHIRE

Today life is hectic. Too hectic. 24/7 this, 4G that. Forever rushing around. Sometimes you just need to press pause and let time stand still.

Whether your ideal break is calming, comforting, refreshing, or bursting with high adrenalin excitement, Wiltshire offers the perfect antidote to the stresses of day-to-day living.

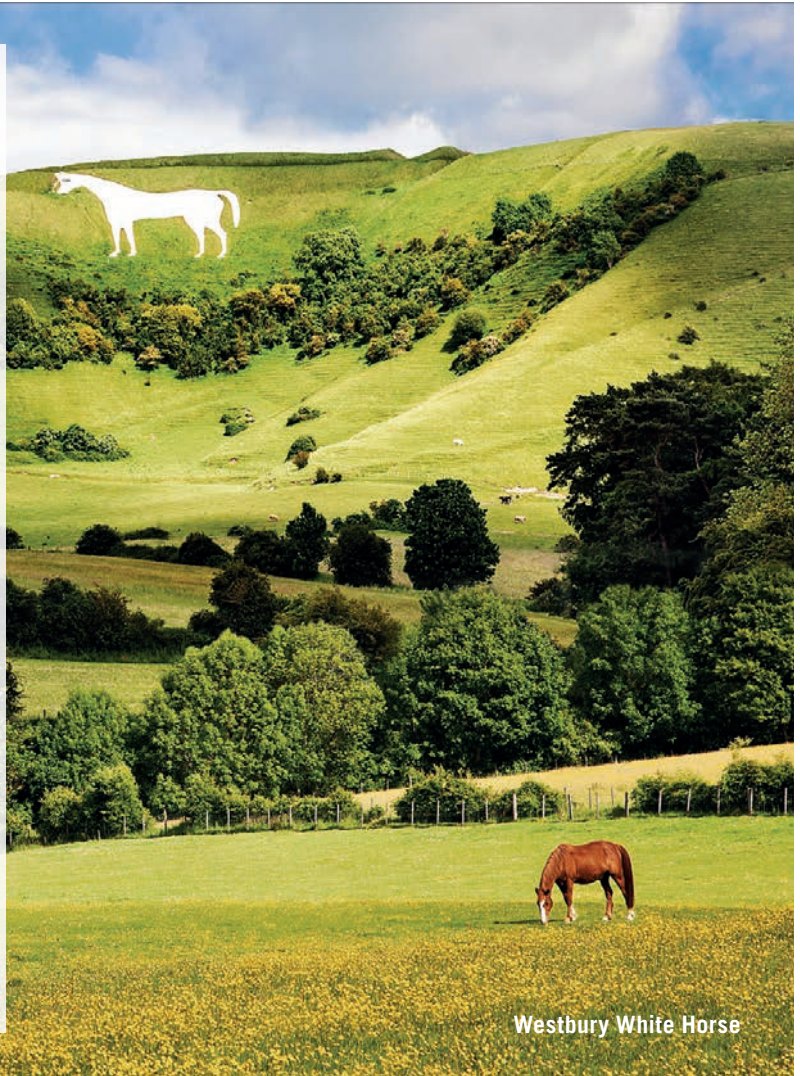

Wiltshire has been a special place for a very long time and our World Heritage Site stands testament to the ages. Stonehenge and Avebury have a magnetism that has drawn people to them for centuries.

Wiltshire is also rolling green downs, ancient woodlands and bustling market towns. Parish churches, historic houses and country inns. Timeless monuments and contemporary luxury. Arts and culture, festivals and events. Local ales and picnics in the park. All this, yet only an hour and a half, or less, from London.

So instead of tearing along in the fast lane, take a break from the 9 to 5.

Step off the world for a while... and let Wiltshire put back what the rest of the week takes out.

If you're tired of the everyday, it's time for Wiltshire. Less racing against the clock and more timeless pleasures to enjoy.
