

**Social Media volunteers – Wiltshire**

We need a social media volunteer or volunteers to help us publicise the mainly private gardens that open to the public in Wiltshire to raise funds for the marvellous charities we support.

**What we're after:**

People familiar with using Facebook, Instagram or Twitter.

Those with a feel for a quirky story to excite people's interest.

We have gardens throughout Wiltshire but we're open to volunteers posting about the open gardens in their own area.

You can do as much or as little posting as you wish.

**In return you get:**

Stunning gardens created by some amazing, interesting people as your subject matter.

To be part of a happy band of Wiltshire based volunteers.

A warm fuzzy feeling that you'll be supporting charities like Macmillan, Marie Curie, Mind and Parkinson's UK

Oh and access to substantial amounts of cake!

**Interested?** Contact Vicky Flynn by email [vicky@ngs.org.uk](mailto:vicky@ngs.org.uk) or call 01483 213908
