## Seasonal events

### Sky Safari

The balloon festival with a unique twist, Sky Safari sees a spectacular host of hot air balloons take to the skies over the Longleat Estate for a weekend to remember.

Each day, you'll have breath-taking views of mass launches and tethered displays, and it's even more magical when the sun goes down, as the balloons fire up their burners for a stunning night glow routine to music. It wouldn't be a Sky Safari without a menagerie of special animal-shaped balloons, too, led by our very own Longleat lion.

### The Festival of Light

11 November 2023 – 7 January 2024

Put yourself at the centre of the most magical Christmas story of them all, as The Festival of Light returns to Longleat in spectacular style, with more life-size lanterns than ever before.

Show-stopping scenes are taken from The Lion, the Witch and the Wardrobe by C.S Lewis; Cinderella; Snow White; The Wizard of Oz; Winnie the Pooh and more.

As well as innovative new light trails, you can enjoy access to all of our popular animal and adventure attractions for a truly unforgettable visit.
